UX EXPERIENCE

UX/UI Design Bootcamp Graduate | BrainStation | New York, NY — SEP 2024 – Nov 2024

The BrainStation UX/UI Bootcamp is an immersive, instructor-led program that teaches user experience and interface design through hands-on projects, real-world design challenges, and industry-standard tools like Figma. It's designed to help learners build a professional portfolio and gain practical, job-ready skills for a career in UX/UI design, with added career coaching and support throughout the program

- Completed an intensive UX/UI program focused on user research, design thinking, wireframing, and interactive prototyping.
- Conducted user interviews, developed personas, and mapped user journeys to identify pain points.
- Designed and prototyped a mobile application using Figma, applying usability testing feedback to improve functionality and accessibility.
- Presented final design solutions to instructors and peers, demonstrating strong storytelling and presentation skills.

WORK EXPERIENCE

Produce Stocker | Wegmans | Hartsdale, NY — Feb 2025 – Present

- Maintain high-quality produce displays through daily stocking, rotation, and organization to enhance customer experience.
- Ensure cleanliness and safety standards in a fast-paced retail environment
- Collaborate with team members to meet operational goals and improve workflow efficiency
- Assist customers in locating products and resolving concerns, strengthening communication and service skills.

Food Service Worker | White Plains Hospital | White Plains, NY — Jul 2023 – Dec 2023

- Served an average of 25+ patients daily, delivering attentive and compassionate service tailored to patient needs.
- Assisted with meal preparation, tray setup, and kitchen sanitation while maintaining health compliance standards.
- Trained and onboarded new employees on food service procedures and patient interaction best practices.
- Demonstrated empathy and adaptability when working with patients of varying ages and medical conditions.
